Dear YSC Friends,

As most of America now knows, we have lost Dr. Billy Graham at age 99. We rejoice that he is surely in the Lord's presence. He is with Christ whom he has proclaimed for the past decades as Savior and Lord. As a child, I remember Billy Graham. He represented a solid Christian testimony for me all of my life. Millions around the world will definitely miss him. His passion for the lost should also be our passion!

We have an urgent request that we need to share with you. Financial support goes in cycles and life situations change. Monthly support has diminished slowly from friends who are now deceased. Others are retired, on fixed income, and others relocated. Life keeps moving and financial situations change. This is very understandable. We humbly request that you prayerfully consider monthly support, even if minimal. The scriptures say that we have not because we ask not. We are sincerely asking. Our ministry is ongoing and has been ongoing for 41 years on April 1<sup>st</sup>. We need continual support to keep us alive and fruitful. Please do not be offended. We believe in what we are doing with these broken kids, with broken lives! We are grateful for any amount at any time. We never wish to take away financial support from our local churches or any other ministry. As followers of Jesus Christ, our faithfulness in giving should be foremost to our local church family.

Recently, after the horrible school shootings in Florida, our Square One Anderson High School students got down on their knees and prayed for the grieving families of all who died. I'm sure the Lord smiled down on that time of prayer. After forty years of youth evangelism, this was the first time to see this number of students on their knees! Many of the praying students are currently hurting for various reasons themselves.

By God's amazing grace, Garri II and Garri Sr. (myself) are planning another 400 plus mile *Bicycle Fundraising Ride* to Gatlinburg, Tennessee sometime in May. Our big challenge is getting in physical shape and then mapping out the best and safest route to take. There are numerous routes, but some are definitely safer and some shorter. Regardless, we must head south and east, toward Tennessee. If you are curious about this year's route, call me and I'll outline it town by town.

If you have listed this ministry in your estate planning or final will, please note our official name is Youth Serving Christ Ministries, Inc.

Two more ***Save the Dates*** for upcoming fundraisers are our *Annual Golf Scramble*, Thursday, August 30<sup>th</sup>, at Killbuck Golf Course. Early Bird Registration is on the back. The next one is Saturday, September 29<sup>th</sup>, *YSC's 1st East Central Indiana Bicycle Tour*.

Sincerely in Christ,

Garri George
