Dear YSC Friends,

Spring time reminds us that God is always doing a new thing this time of year. We thank Him for His consistency and faithfulness!

As a reminder to all, the essence of Youth Serving Christ and Square One Clubs ultimately is seeing our East Central Indiana youth trust in Jesus Christ, serve Him, and love Him, for the rest of their lives. Even though fundraisers, bicycle tours, golf scrambles, and etc. are necessary to survive, our mission is evangelism and discipleship of youth. All that we do is to further our mission to reach kids.

Some of our ministry will slow down for the summer. Anderson Square One Club, the Detention Center, and the discipleship ministries will continue through the summer.

My job consists of approximately thirty percent administration. Seventy percent of my time is ministry and consists of working directly with youth and adults connected with the mission. I prefer direct ministry with youth and adults, verses life behind a desk.

Our annual Bike Ride is only a few weeks away. I always have mixed emotions with the ride. This has been a part of this ministry for 31 years. You are only young once! ☺ I have been asked, "What do you think about for 400 plus miles?" I reflect on the ministry, issues with our youth, friends who are facing trials, wife, kids, and grandkids. I pray for our YSC board, staff, volunteers, donors, and prayer partners. I pray for all of my extended family. I pray for my pastor and my church family. I pray for a spiritual revival for East Central Indiana as well as economic recovery. I pray for safety on the road and for physical strength and protection. I praise God for the beauty of his creation and the ability to see it all from a bicycle seat. I praise God for every imaginable blessing that comes to mind, which are many. I praise God for the realization that God is God; that He is all that He claims to be!

You can contribute to the bicycle trip at any time. This event helps to keep our mission alive. You can give per mile based on 400 miles or give a one-time gift.

Thank you for your prayer and financial support!

Sincerely in Christ,
Garri George
